

a three star production

9th September 2020.

This is to certify that

## Talia (Short Film)

### At Foxrock Productions.

has met the albert certification standard and so contributed towards an environmentally sustainable television industry.

A handwritten signature in blue ink that reads "Kevin Price".

---

**Kevin Price**  
BAFTA Chief Operating Officer &  
albert Consortium Chair

albert certification is a mark of sustainability which indicates that a production has taken steps to manage and reduce its environmental impact. It was created by representatives from across the TV industry who form BAFTA's albert consortium.
